Naked Presentation:

*The **presenter** is the focus of attention, not her slides.*

T_EX is famous for type-setting math like

$$\sum_{i=1}^n \sum_{j=1}^m \frac{x_j}{x_i + \frac{x_j}{x_i + x_j}}$$

- ▶ Oh, the *dreaded* bullet points
- ▶ you can do them, though
- ▶ but you should not

1. Oh, the dreaded *numbered* bullet points
2. you can do them, too
3. but you should not, too
